PURPOSE OF THE STUDY

The goal of the State Route 109 Access Management Study is to develop access management standards and guidelines that will preserve and enhance the long-term safety, efficiency, economic development, and environmental resources of the State Route 109 corridor.

PURPOSE OF THE PUBLIC WORKSHOPS

The second round of public workshops will focus on gathering input on proposed access management treatments and strategies.

A brief presentation will be followed by opportunities for the public to ask questions or discuss issues of particular concern.

If you have any questions regarding this meeting or have a disability that requires special assistance to participate in the meeting, please contact: Anna Emerson, MPO Project Manager, at 615-862-7157 or emerson@nashvillempo.org.
